WELCOME to the Echo Hills Kennel Club of Ohio, Inc. training session!

Our club's purpose is to further the advancement of all breeds of dogs. Whether your participation in our classes is to work towards titles or simply to gain confidence and improve handling response between you and your dog, we hope you enjoy Echo Hill's course.

GOALS We are a non-profit, service organization and are dedicated to the education of the dog owner and non-dog owner alike. We encourage active participation by minors in our club. Our members are actively striving toward humane treatment for all animals, including the necessary education and action for helping to curb the pet population explosion.

ACTIVITIES Our best known activity is the offering of obedience training classes. We have qualified and dedicated instructors for Puppy Dog, Beginning Obedience, Advanced Skills, Agility, and Rally classes. Our members also work in many other areas of training their dogs, including fieldwork, retrieving on land and in water, agility, tracking and others.

We are active in presenting exhibitions with our dogs for community organizations and public functions. These are informative and aimed at stressing the responsibilities of dog ownership. As one of the ways we sponsor responsible dog ownership we regularly offer the AKC Canine Good Citizen tests. A very high percentage of our members actively participate in American Kennel Club shows and activities.
